

TECHNICAL REVIEW AFFIDAVIT

Small Pond Approval No. _____

My name is _____. I am a registered Professional Engineer in the State of Maryland (Registration No. _____).

I am qualified in the field of dam design and construction and have adequate knowledge of Maryland laws, regulations, Pond Code MD-378 and the policies and procedures of the Maryland Department of the Environment, Dam Safety program to review plans, specifications, design reports (geotechnical, structural, hydrologic, and hydraulic analyses) for Small Pond Approvals.

I have reviewed the plans, specifications, design reports for the _____ [describe type of work] _____ of _____ [pond name/ID] _____ at _____ [project location] _____, prepared by _____ [EIC name and company] _____, and dated _____. The plans, specifications, and design reports meet the minimum requirements of COMAR 26.17.04.05 and the Departments policies and procedures, and is hereby recommended for Small Pond Approval.

I, _____, hereby declare that all information contained in this affidavit is true to the best of my knowledge.
